The prestigious Hotham Heights Chalets are located next to the Village Chair lift right in the centre of the village. Within easy walking distance are: restaurants, bars/bistro, cafes, ski/board/clothing hire, tickets department, retail stores, supermarket, bus stops, massage and beauty centre and accommodation reception desks. Most of these properties are ski in - ski out with direct access to the Basin ski run. All chalets include one private car space. The views from these multi-storey freestanding chalets are quite superior to all other accommodation properties on Hotham and all contain the finest quality features and appliances.

Andromeda is a three-storey chalet located in the middle of the Hotham Heights Chalets and accessed via Hot Plate Drive, the heated driveway that services the chalets. An undercover car space is included on Hot Plate Drive. The views from the chalet are spectacular as it is located high above the row of chalets in front.
