The prestigious Hotham Heights Chalets are located next to the Village Chair lift right in the centre of the village. Within easy walking distance are: restaurants, bars/bistro, cafes, ski/board/clothing hire, tickets department, retail stores, supermarket, massage and beauty centre and accommodation reception desks. Most of these properties are ski in - ski out with direct access to the Basin ski run. All chalets include one private car space. The views from these multi-storey freestanding chalets are quite superior to all other accommodation properties on Hotham and all contain the finest quality features and appliances.

Red Robin is a three-storey chalet located at the top of Hot Plate Drive, the heated driveway that accesses the chalets. It has a car space, which is not undercover, located next to the property. This chalet is the second one down from the Village Chair lift.
